

Black Belt School Student Creed

- **I will constantly seek strength for my body, knowledge for my mind and integrity in my spirit.**
- **I will respect all people and always approach others in the spirit of friendship and charity.**
- **I am committed to being confident, modest, patient, self-disciplined and responsible for myself.**
- **I will only use the skills I learn in a positive and ethical way.**

All students must learn this creed word for word and do their utmost to live by it.
