

The Little Dolphins Program has its own unique belt system which is listed below. As is the case with all martial artists, the first belt is the white belt.

Our Little Dolphins program is an age specific program. Once a Little Dolphin turns 7 years old or demonstrates the focus, commitment and co-ordination needed for the next stage of their training, they then move up into the Big Dolphins program which has another age specific belt system.

After Big Dolphins, students then move onto an official Taekwondo rank or *gup* which are represented by the main belt system of Shire Martial Arts.

The Belts of Little Dolphins

White belt

White/Yellow belt

White/Orange belt

White/Green belt

White/Blue belt

White/Purple belt

White/Red belt
